

August 29 Workshop with Michele Scott

“Bobbinpalooza and Fusing Fun”

Sunday, August 29, 9am – 4 pm

Cost: Members: \$45 Non-Members \$55

Location: Glenwood Springs area

Why agonize over those breaking needles and shredded threads that you've bought for machine quilting when you can put them in the bobbin and simply flip over the quilt and quilt it upside down? In this class, we will problem solve your way through a multitude of decorative threads and yarns (yes, we do LOTS of couching!). We will first try different tips and tricks Michele has acquired over the years to put the threads through the top; if that doesn't work, we'll bobbin-quilt it! Get familiar with your machine and adjusting both top and bottom tension while learning all those cool quilting patterns that don't need marking. Other things we explore – free motion zigzag and a bit of fusible appliqué! This is information packed class! We will also create a great wall hanging of threads and yarns to practice our new surface embellishment skills!
